Proposal for Cost Savings

Situation: Our current printers print on one side only. It causes unnecessary waste.

Proposed Solution: The addition of a duplex printer and a duplex printing policy would allow the company to save considerable money by printing on both sides where possible.

Steps Involved:

- 1 Purchase a printer with duplex printing capabilities.
- 2 Show employees how to set printer options to print on both sides.
- 3 Communicate the new policy requiring employees to use duplex printing wherever applicable.

Benefits:

- Duplex printing would reduce the following costs: paper (\$250/month), supplies (\$25/month), and postage (\$15/month).
- Duplex printing supports the company's green initiatives to reduce waste.

Potential Obstacles:

- The resistance of employees to change and follow the new procedures. While there will always be those resistant to change initially, this is not a difficult adjustment to make. However, management may need to tackle the issue with employees who are not adhering to the new policy.

四级作文 3 Part-time jobs: can students work without harm to their education?

- A growing body of research finds that students who take a part-time job have less possibility to success in the education. On the other hand, some people argue that it's not true. Personally I prefer the former one. The following reasons can account for my preference.
- First and foremost, there is no doubt that most freshmen are so ignorant that they didn't realize how valuable the time at school is. 论点 1Based on big data, it is revealed that a majority of graduates admitted that they regret to waste time on part-time jobs. 论据 1 Additionally, it is obvious that the main task for students is not earning money but study. Where there is spare time, there is chance to learn. 论据 2 Last but not least, no one can deny that the more time you spend on part-time job, the less time you can learn knowledge. 论点 3Though some people find money is more important than knowledge, it's not necessary for students to do so. 论据 3
- In a word, the whole society should pay close attention to the problem of part-time job of students. Only in this way can we have a bright and promising future.

These performers are full of passion, demonstrating excellent Chinese culture and the bold and unyielding nature of Northern people living on the Loess Plateau of Northwest China.

从前有个人家里养了只老母鸡,这只鸡特别的能下蛋,可有一段时间这只鸡老是不下蛋,而且还病歪歪的。那个人想这鸡不下蛋留着也没什么用了,就杀了这只鸡,破开鸡肚子后发现这只鸡生病的原因原来是生了胆结石。大大小小的胆结石就像鸡蛋一样。杀鸡的时候正巧邻家的快嘴婆祥林嫂过来串门。看到了以后就四处乱说,说这人杀鸡取卵,鼠目寸光,把好好的一只能下蛋的老母鸡给杀了,

- Once upon a time, there was a man who kept an old hen in his family. This chicken was very good at laying eggs. However, for some time, the chicken never laid eggs and was very sick. The man thought that it was useless to keep the chicken without laying eggs, so he killed the chicken and found that the cause of the chicken's illness was gallstones. Big and small gallstones are like eggs. When killing the chicken just happened to be the neighbor of the fast-talking lady Xianglin Sister-in-law came to visit. When he saw this, he went around saying that this man had killed the goose that lays the golden

eggs and was shortsighted and had killed a good old hen that could lay eggs.

宋国有一个富人,天下大雨,他家的墙坏了。富人的儿子说:“要是不修筑,一定会有盗贼来偷东西。”邻居家的老公公也这样说。晚上富人家果然丢失了很多东西。结果,那个富人认为自己的儿子聪明,却怀疑邻居家的老公公偷了他家的东西。

- There was a rich man in the State of Song. The wall of his house was damaged due to heavy rain. The rich man's son said, "If you do not build, thieves will surely come and steal." So said the old man next door. A lot of things went missing from the rich family that night. As a result, the rich man thought his son was clever, but suspected the neighbor's old father-in-law of stealing his things.

作文

Books and TV.Which of the two is more informative or entertaining?

In the contemporary world, ways for entertainment of people have become increasingly important. When faced with decision of books and TV, quite a few would deem that books are more informative and entertaining, but others, in contrast, believe that TV is the premier choice and that is also my point. Among countless reasons which support my view, there are three conspicuous aspects as follow.

In the first place,there is no doubt that TV is more intriguing in forms. Based on big data, most of people admitted that programs on Tv are easier to follow. Moreover, no one can deny that the entrance to watch tv is easier than reading a book. Where there is Internet, there is access to TV. Last but not least, I firmly believe that we can have a learn information quickly when we watch. The contents of TV programs are carefully chosen and edited.

In conclusion, TV is a better choice in terms of information and entertainment.If we spare no efforts to watch it reasonably, the future of our lives will be both hopeful and rosy.

the importance of mental health and ways to improve it

In the contemporary world, mental health has become increasingly important. It is of great necessity for modern citizens to enhance our psychological health. The following solutions can address this issue properly.

In the first place, there is no doubt when you are under pressure, communication with someone you know can relieve sadness and sorrow. Based on big data, most of the successful social elites have admitted that they like to talk to someone when they're depressed. Moreover, no one can deny that doing things you like can keep you mentally healthy. The more hobbies you have, the happier you are. Last but not least, I firmly believe that relationships among people around you play an important role in keeping mental health. The more friends you have, the healthier you are.

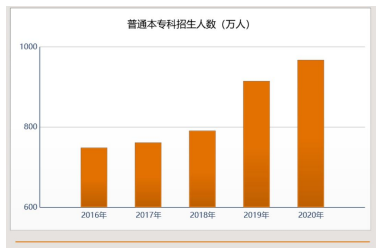

In conclusion, mental health is truly important to the all-around well-being. If we spare no efforts to enhance it, the future of our fitness will be both hopeful and rosy.

Direction: for this part, you are allowed 30 mins to write an essay on the saying don't judge a book by its cover. You should write at least 150 words but no more than 200 words.

As an old saying goes: don't judge a book by its cover. For us college students, it has an increasingly important significance: we shouldn't judge people by their appearances. The following reasons can account for this issue.

First and foremost, there is no doubt that we may form incorrect ideas from appearance only. Based on a most recent survey, it is revealed that a majority of successful social elites have admitted appearance is only a superficial perception.. Furthermore, it is obvious that judging people can lead to misunderstandings. Where there is misunderstanding, there are conflicts. Last but not least, no one can deny that the content is more important than appearance. Although it's not easy to see what's inside, we should change this behavior.

In conclusion, the inner beauty is more important than the appearance. If we spare no efforts to enhance it, the future of our fitness will be both hopeful and rosy.

As is starkly mirrored in the chart that the number of students enrolled in the college or university is increasing in a row from 2016 to 2020. It is revealed that advanced education is gaining importance among contemporary people. The following reasons can account for this phenomenon.

First and foremost, there is no doubt that job markets now require higher education qualifications. Based on big data, a majority of successful social elites have admitted that they have spent 2/3 of their time studying. Furthermore, it's obvious that people wish to make money via a higher degree. Where there is a degree, there is a chance. Last but not least, no one can deny that it's easier to go to college or University than 20 years ago. Although key Universities are hard to enter, the number of Universities has doubled or even tripled over the past decades.

In a word, the whole society should pay close attention to advanced education. Only in this way can we have a bright and promising future.
